

Maxus Asset Management

Environmental Policy

➤ Maxus Asset Management aims to provide customer service at the best prices, meet clients expectations, and maintain fair return rate. This policy is appropriate to our purpose, context, and strategic direction in electronics, supporting risk-based thinking.

we commit to:

- Continual improvement of our Environmental Management System (EMS) and environmental performance.
- Prevention of pollution.
- Compliance with applicable legal and other requirements.
- Setting and reviewing environmental objectives and targets.

We will:

- Be an environmentally responsible neighbor, correcting incidents endangering the environment.
- Ensure responsible energy use; conserving energy, improving efficiency, preferring renewables.
- Promptly correct non-compliant practices or conditions.

This policy is communicated to all employees and interested parties, available to the public, and reviewed periodically.
